SUPPLEMENTARY INFORMATION: The Department will reallocate unexpended FWS Federal funds from the 1996-97 award year as supplemental allocations for the 1997-98 award year under the FWS Program. Supplemental allocations will be issued this Fall in accordance with the reallocation procedures contained in the Higher Education Act of 1965, as amended (HEA). Under section 442(e) of the HEA, unexpended FWS funds returned to the Secretary must be reallocated to eligible institutions that used at least 10 percent of the total FWS Federal funds granted to the institution to compensate students employed in community services. Because reallocated FWS funds will be distributed on the basis of fair share shortfall criteria, institutions must also have a fair share shortfall to receive these funds. Institutions must use all the reallocated FWS Federal funds to compensate students employed in community services. To ensure consideration for supplemental FWS Federal funds for the 1997-98 award year, an institution must submit the Campus-Based Reallocation Form by July 11, 1997.
